## Interactive Games / Themes

A wide range of interactive musical challenges, game shows and theme activities are available to engage your audience and inspire some friendly competition. One Example : Quebec's La Fureur – invite your guests to take a musical tour spanning the greatest hits of the last 50 years. The host will divide the group into teams and motivate participation via different trivia quizzes as well as singing and performance challenges. Connect with your colleagues to laugh, compete and discover some hidden talents! Additional virtual activities such as TV game shows, Karaoke, Murder Mystery evenings, Escape games, and Amazing Race style scavenger hunts, as well as full theme events that incorporate the games are also available.

Interactive games: starting at \$2,000.00+ tax ( prices may vary)

## The Mosaic Photo

An oversized mosaic is created from individual photos sent by the group. From up close you see all of the individual photos, but the long range view reveals a beautiful mosaic. The client can choose what they prefer for the large image such as the logo of the company, a particular symbol or branding identification, a creative or decorative visual, etc. Either the photos can be assembled into their place on the mosaic in real-time with a 3D effect projected during the event or else only the final product can be revealed during the event and the mosaic is sent to everyone afterwards as a souvenir gift.

The Mosaic Photo: starting at \$3,000.00+ tax
